

KCM Clinic and OLYMPUS Poland, Johnson & Johnson invite for
International Conference with 3D LIVE bariatric surgery

II Annual Conference
Achievements in bariatric surgery.
Metabolic and Bariatric surgery
for successful therapy of diabetes type 2
and metabolic syndromes.

**3D LIVE
SURGERY**

28 October 2017, Saturday, 9.00-18.00
KCM Clinic, ul. Bankowa 5-7, Jelenia Góra, Poland

Registration:
www.konferencja.kcmclinic.pl/bar2017

3D Laparoscopy Workshop in Bariatric Surgery

Moderators and Surgeons:

Prof. **Almantas Maleckas**, MD, PhD
Gothenburg University Hospital, Sweden
Nordbariatric Clinic, Lithuania

Prof. **Wieslaw Tarnowski**, MD, PhD
Head of Department for General and Gastrointestinal
Surgery at CMPK Hospital Warsaw
Member of the Board of the Polish Metabolic
and Bariatric Surgery Society

Grzegorz Kowalski, MD, PhD
Head of Center of Laparoscopic and Bariatric Surgery
at KCM Clinic Jelenia Gora
Member of International Federation for the Surgery
of Obesity and Metabolic Disorders

Przemysław Witek, MD, PhD
Adjunct at Clinical Department of Metabolic Disorders,
University Hospital Krakow

Live 3D Surgery

Real time discussion between surgeons, diabetologists and participants about each transmitted surgery, indications and contraindications for bariatric treatment, preoperative diagnostics, diet, medication and postoperative care.

Registration

8.00 - 8.45
Saturday 28 October 2017

9:00 Welcome and Introduction

Monika Mikulicz-Pasler, MD, PhD, President of KCM Clinic S.A.

Opening speeches

9:15 *Prof. Wiesław Tarnowski, MD, PhD*

Metabolic and Bariatric surgery as innovative therapy in management of diabetes type 2.
New recommendations for bariatric surgery, especially in case of obesity with diabetes type 2.
Multicenter trials, clinical reviews.

9:45 *Prof. Almantas Maleckas, MD, PhD*

The achievements in metabolic and bariatric surgery. Risk and benefit ratio of bariatric surgery in type 2 diabetes. Patient's outcome, own experience.

10:30 Live 3D surgery (1) Surgeon: Almantas Maleckas

Laparoscopic Roux-en-Y gastric bypass (RGB) as a successful procedure for obesity patients with diabetes type 2. Pros and cons. How to avoid the complications?

11:45 Lecture: Current views on type 2 diabetes: Obesity as a potent risk factor for the development and progression of type 2 diabetes. Mechanism of metabolic and endocrine advantages after bariatric surgery, especially of restoration of glycemic control in patients with type 2 diabetes.

Bariatric surgery as an appropriate treatment for patients with diabetes type 2 and obesity with an BMI>30 - actually position statement of international diabetes associations.

Przemysław Witek, MD, PhD, Clinical Department of Metabolic Disorders, University Hospital Krakow

12:30 Live 3D surgery (2) Surgeon: Wiesław Tarnowski, MD, PhD

Laparoscopic Omega Loop Bypass - mini gastric bypass (MGB) in case of diabetes type 2 and obesity.

13:30 Lecture: Comparison between long term results of restrictive and intestinal bariatric procedures: gastric bypass Roux en Y, mini gastric bypass and gastric sleeve in obesity patients with metabolic syndrome, especially diabetes type 2. Recommendations, update of reviews.

Grzegorz Kowalski, MD, PhD

14:00 Lunch

14:30 Live 3D surgery (3) Surgeon: Grzegorz Kowalski, MD, PhD

Laparoscopic Gastric Sleeve (GS) in case of metabolic syndrome and obesity.

15:45 Lecture and Discussion: Patients' problems and experiences before and after bariatric surgery.

Katarzyna Partyka, Anna Skoczylas-Ligocka, Bariatric Patients Association CHLO

16:15 Lecture: Economic Aspects of Bariatric & Metabolic Surgery Comparison to Traditional Treatment.

Jacek Wcisło, MD, PhD, Market Access Lead for Central and Eastern Europe, Johnson & Johnson

16:45 Lecture: Achievements of technical equipment in 3D laparoscopy.

Tomasz Zalewski, Olympus Polska

17:00 Discussion, questions, concluding remarks

Organized by:

KCM Clinic S.A.
Bankowa 5-7, Jelenia Góra

Partners:

Johnson & Johnson
Poland

Olympus Polska

Participants are entitled to a certificate and educational points

Participation fee – 200 PLN
